INTELLECTUAL OUTPUTS

IO1-A3: COMPETENCE FRAMEWORK FOR YOUNG ENTREPRENEURS

The work on this IO focuses on the conceptual mapping of the benchmarks (aims and objectives for the trainers) and indicators (level of acquisition of competences for the learner) for the Competence Framework - a syllabus related to social entrepreneurial, cultural awareness and digital related skills to be acquired by young people essential for their involvement in the community centres. In essence, the framework states what young people and youth workers need to know in order to become ROUTES@CULTURE ENTREPRENEURS.
